T&T Supermarket Brings Their Unique Flavour to Park Royal With Their Upscale Asian Supermarket Brand *Osaka*

Park Royal is pleased to announce an exciting addition to its incredible lineup of retailers.

Once again, defining new ground on the North Shore, Park Royal will be opening a supermarket with a unique lineup of specialty food products. While T&T Supermarket have been a household name among many Canadians for quite some time, appealing to Chinese customers and other members of the Asian community, the store is beginning to gain recognition and popularity with non-Asian Canadian's. As part of their ever-expanding portfolio, T&T will be opening their second store under the brand *Osaka*, which feature many unique products from Japan. The Park Royal location will be on Level 2, in Park Royal South where it will open in 37,000 square feet of prime retail space formerly occupied by Winners.

"Park Royal is proud to be part of the T&T Group's exciting expansion plans. Our loyal and frequent Park Royal customers are going to be delighted and surprised by what *Osaka* has to offer." Said Rick Amantea, Vice President of Park Royal. "And the addition of this store will bring in a new group of customers from a broader market area to discover our shopping centre and everything we have to offer."

The Park Royal location will feature the award-winning fresh seafood department, in-house fresh bakery, sushi bar, Asian gourmet hot deli and an extensive array of Asian grocery items simply not available in other stores.

Cindy Lee, CEO of T&T Supermarkets, said, "It is extremely exciting for us to open our 18th store in Park Royal. This brand will offer the high quality and extensive array of merchandise that Park Royal customers expect. We are confident Park Royal is going to be a fabulous location for us and will open up a whole new part of Metro Vancouver to our *Osaka* brand."

Much more than your average grocery store, *Osaka* Supermarket will be cultural hub on the North Shore that promotes diversity every day – by bringing the community a taste of Asia.

The space is currently undergoing extensive renovations to get it ready for a September 2010 opening.
