Park Royal Shopping Centre
South Mall in between White Spot and the Keg
For more information, please contact 604-981-6509

Protect yourself from identity theft

Join us at a community event aimed to encourage everyone to protect their identity by shredding old documents containing personal information.

If you have sensitive documents you no longer need that contain your private details, then bring them to the RBC® Shred-A-Thon™ event.

Enjoy some peace of mind courtesy of RBC. The following can all be disposed of securely, in a matter of minutes, while you wait:

- › Pre-approved credit card applications
- › Bank statements
- › Credit card receipts
- › Bills and related information

Plus:

- › Learn more about identity theft and what else you can do to prevent it from happening to you
- › Enter for your chance to WIN* prizes, on site!

Special thanks to Recall for bringing this service to the community.
